

Title: The Best I Can

When life's burdens become heavy think about the little hummingbird.

There was a devastating forest fire and all the animals fled for their lives. They were gathered outside the forest and observed a little hummingbird. She flew over to a lake and picked up a drop of water. Then she flew back and dropped it on the fire. The animals watched her make several trips and they said, "You can't put out the fire like that! What do you think you are doing?" And the little hummingbird replied, "I'm just doing the best I can."
