Well, I ain't got no fancy cloths, but I ain't goin' no where.
My old car don't run so good, but it gets me where I want to go.
So if you're feeling down and out, just sing a different song.

And I ain't got no money to spend, but I don't really care.
And I got an old guitar to play. Well, who could ask for more?
You'll feel better, just drop that load, and it won't take long.

Now you might think I'm poor and lowdown, but that don't bother me none.
Some people say "You'll never get rich," and that's probably true,
Just take yourself a look around, There's beauty everywhere.

Just come on along, we'll pick the guitar, and we'll have some fun.
Come on along, we'll pick that guitar and we'll have a laugh or two.
Come on along, we'll pick that guitar, and we won't have a care! (Oh Yeah!)
