

# No Money Rag

(C) Rick McKeon 2006

Well, I ain't got no fancy cloths, but I ain't goin' no

where. And I ain't got no money to spend, but

I don't really care. Now, you might think I'm

No Money Rag -

poor and lowdown, but

that don't bother me

none.

Just

come on along, we'll

we'll pick the guitar,

and we'll have some

fun!

(Oh Yeah!)
