

Bishop Pass

Keep On Keeping On

I was defeated by Bishop Pass in 2009. Well, not really by Bishop Pass but by my own self. I couldn't make it over the pass the year before my open heart surgery. I know that I disappointed my brother and hiking partner "PackerJack" but I just couldn't do it.

So now, several years later, I am on the mend and have had some excellent hikes in the Sierra. We just do what we can to "keep on keeping on."
